1. Product Assortment

My shop will be stocked with a minimum of 8 of each pattern in the trunk show set. My shop will also be stocked with the yarns and hardware necessary to knit the items featured in the show.

To fulfill above requirement, my pattern order is enclosed with this application. The order is:

If a gap order, I certify that I already have the following quantities and patterns in my store and that these patterns were purchased directly from Noni Designs, Ltd.

Once your application is approved, you will receive a Trunk Show Confirmation letter no later than 2 weeks before the start of the show. The letter will include instruction for where to send the samples at the conclusion of the show (either Noni Designs or the next shop).

I understand that my trunk show is not approved until I receive this confirmation. The request can be denied if my account with Noni Designs, Ltd. is not current at the time of the request. I also understand that existing approval may be withdrawn up to 2 weeks prior to the start of the show should my account cease to be current. 3. Advertising

I understand that it is in my best interest to advertise the trunk show by at least one of the following: newspaper, newsletter, mailing, e-mailing, website notice. My window or a central shop location will display Noni goods and will advertise the show for at least two weeks before the start date.

4. Loss or Damage of Show Contents

If any sample is lost, stolen, or damaged beyond repair while the collection is in my custody, I will immediately notify Noni Designs, Ltd. and pay for the damaged or missing piece in accordance with the valuation provided in the Confirmation letter. If minor damage occurs during the show, I will notify Noni and repair the piece(s) so that the next customer will receive the collection in the same satisfactory condition as I received it.

5. Shipping and Receiving

If the trunk show is coming to me from Noni, I will be responsible for the cost of shipping to my shop. Noni will make every effort to minimize this cost.

I will inspect the trunk show box at the time of delivery. If the box arrives in good shape and unopened but with items that are missing or damaged, I will immediately notify Noni Designs, Ltd. If the box arrives damaged or open, I will bring it to the attention of the UPS/DHL/USPS driver, mention it on the UPS/DHL/USPS bill of delivery, check the content for possible items missing or damaged, and file a claim with UPS/DHL/USPS. I will also immediately notify Noni Designs, Ltd.

At the end of the trunk show, I will check that all items received are present and in good condition. I will properly repack them in plastic bags inside the boxes to prevent any water damage. I will ship the collection via UPS/DHL/USPS with tracking and insurance in the amount of \$ _____ (*determined by Noni*) no later than the date indicated on the Confirmation Letter to the address specified therein. I will choose a shipping method with duration no longer than 5 calendar days. The cost of shipping and insurance is my responsibility.

6. Liabilities

I cannot and will not hold Noni Designs, Ltd. responsible should the previous store not ship the collection on time or by the proper method, or if the collection is damaged or stolen during the previous show or in transit.

7. Show Contents

Noni reserves the right to modify the contents of the trunk show should it become necessary to do so. If an item substitution is made, the store will not be required to purchase any additional patterns.
